My dear Mr Adams -  
 one line just to say that  
 my family take better to day  
 than I had had some times  
 sleep & we hope this last  
 of ~~the~~ is going off, as he  
 has made a good dinner  
 as quotation - Just around  
 what the papers say  
 of me I am not well  
 but not ill in comparison  
 but I in thing say, I must  
 take care - Good bye  
 J
