

Copy of the Answer of
His Royal Highness to the
Address of the President &
Council of New York

Enclosure

16271

Gentlemen

I beg you will accept my best Thanks for
your Attention to me, and congratulations on my Arrival in
this Country, which I shall certainly take the first Opportunity
of making known to His Majesty. I desire you will
receive my best Wishes for the prosperity of America in
general and of this Province in particular.
