

P. No. 1013
Mr Robt. Holloway

21100

Nov^r 8th 1813.

Sir

I am fearful in the multiplicity
of your important concerns, my Petition
to the Prince Regent, delivered to you by
Mr. Chapple, this day fortnight has
slipped your memory: — I most
earnestly entreat the favor of you
to give me some intimation on the
subject, as my situation for five months
is too dreadful for description, and that
~~too~~ as a sacrifice to the most malicious
traitor, and worst man in the Kingdom

I am Sir

with the highest sense of
gratitude
y^r most devoted
R. Holloway

The R. Hon^{ble}
Col. M^r Mahon.
