

Lord Suffolk

March 7. 1770

2803

Thinking Your Majesty might like  
to know if any communications were made  
to us today, or not, about an intended  
Resignation, I presume to send a Line  
just to say that not a word was expressed  
on the Subject, or any allusion to it.

S<sup>t</sup>. James's  
March 7. 1770.  
9. P.M.
