My dear Sir

I am just about to
set out on my way to Portsmouth,
though with some doubt of being able
to get there. Mulgrave & Edm. Pitt
propose setting off tomorrow some hours
after. We all mean to stay no longer
than Monday morning. - It is in vain I
fear to hope, that you would con-
sider of any service to us. - I do not
mention it upon the chance.

Yours ever
W. Windham.

At 6 o'clock.
