My dear Brother

My Mother has commanded me  
to enclose You the answer she has received  
from the dear Duchess of Leeds, which  
she flatters herself will give You some  
comfort — Having this opportunity  
I must say how truly my Heart has  
been with You in all Your distress  
this I trust in God that every thing  
may turn out to Your future com-  
fort & satisfaction — My Mother  
desires me to add that she has  
but this instant received the letter  
from the Duchess —
