My dearest brother

I fancy its better that I should  
be at St James as we are not  
to be long in England at least the  
Prince, so that if you think proper  
to order every thing as it was when  
we last was there, that there may  
be no abuse <sup>or mismanagement</sup> by my servants &  
I am so rich that I dont want your  
generosity Augusta may have  
a bit at dinner that's absolutely  
all I shall be with you the money  
I receive your leave. to pay my  
duty being ever my dearest  
brother your most dutiful subject  
Augusta
